
Rehan Shah

Education

Bellingham High School, Bellingham, MA
Senior, Class of 2026

Northeastern University, Boston, MA
Freshmen, Class of 2030 - Electrical and Computer Engineering

Motivated and driven student at Bellingham High School. I have tailored my high school experience to prepare me for a professional engineering environment best. I am passionate about engineering: I have multiple personal projects that I have been working on. Self-taught in C++ and Arduino coding. Certified and experienced in CAD, having well over four years of modeling experience.

- GPA: 97.9 (weighted out of 100)
- SAT: 1410 (720 Math, 690 R&W)
- PLTW EOC Score: 490 CIM (Computer Integrated Manufacturing) (Distinguished – Highest in school)
- Advanced Coursework: AP Physics, AP Calculus, AP Language & Composition, Multiple College-level PLTW Engineering Classes + Common Capstone, Two Dual Enrollment Classes, and an Intern at Antron

Skills

Technical & Engineering:

- Professional-level skill in CAD: Fusion 360 & SolidWorks; personal 3D printer (Bambu A1 Mini) for hands-on design projects.
- Robotics: VEX Robotics, Lynxmotion robotic arms, mechanical assembly
- CNC & Manufacturing: Beginner in G&M code; CNC machine operation; ToolingU Manufacturing Fundamentals Certified
- Safety & Standards: OSHA 10-Hour General Industry Certification + Lean Six Sigma White Belt
- Strong understanding of design principles, manufacturing processes, and collaborative problem-solving.

Soft Skills:

- | | |
|--|----------------------------|
| • Leadership; teamwork;
Communication | • Time management, |
| • Problem-solving & Critical thinking | • Initiative/self-learning |
| • Flexibility & adaptivity | • Fluent in Hindi & Urdu |

Projects & Experience

Town Renovation Project - Lead Presenter

(Boston, MA - Expenses Paid)

- Was selected as Group Leader & Head presenter
- Selected to represent Bellingham
- Proposed the following:
 - Reconstruction of road layout to optimize traffic flow in a necessarily congested area, improving the lives of Bellingham and neighboring towns
- Developed public speaking and leadership skills

SAT Tutor - Schoolhouse

Tutored students in SAT Math, and was nominated due to my August 2025 scores.
(Currently in training for December SAT bootcamp)

Certifications

- OSHA 10-Hour General Industry
 - Lean Six Sigma White Belt
 - ToolingU-SME: Manufacturing Fundamentals, CNC Machining, Robotics, Blueprint Reading
 - SolidProfessor certified in:
 - Fusion 360 (Sketching, Modeling, Assemblies, Drawing)
 - AutoCAD Electrical
 - Arduino
 - Solidworks 3D modeling
 - Working towards the following
 - CSWA (SolidWorks) (self-initiated but paid by school) - *expected May 2026 (Will likely complete before applications)*
 - PLTW Student Graduate
-

Extracurriculars

- National Honor Society – Member
- Robotics Club – Former Member (design and competition experience)
- Varsity Football & Wrestling, Volleyball – Team Member

Awards & Achievements

- ★ High Honor Roll: Consistently recognized for academic excellence
- ★ Varsity Letters: Earned in multiple sports
- ★ Iron-Man Award: Honored for outstanding performance in football
- ★ Football TVL Champions: Contributed to the team's success in 2023 and 2024
- ★ D1 West/Central Sectionals:** Placed 6th in competition
- ★ National Recognition Award: Received from the College Board for academic achievement
- ★ Letters of Congratulations: Received from the State Representative for making the Honor Roll
